Dr. Sir

Your favor of the  
15<sup>th</sup> duly read & contents noted  
regarding your new find of Washington  
the great I did know the late  
Mr. Davenport but Mr. Groby was  
much more intimate with him than  
myself. I understood Mr. Moray to say  
he was going to make an effort to procure  
the young Mr. Davenport's piece for you to  
compare to. My personal examina-  
tion of the piece was too hurried the other  
day for me to express any decided opinion.  
Possibly, after you have <sup>studied</sup> ~~studied~~ it up  
for a while you and myself may  
find leisure to discuss it together. In  
the mean time I may meet Mr. Groby

I hear what he has to say about it

Yours truly

Thomas Hall.
